WHAT IS KIDFISH

KIDFISH is an outreach program designed to educate and provide hands-on fishing experiences for children 16 and younger. At events, children first participate in a KIDFISH College presentation on fishing, conservation, and respect for the environment.

After a brief presentation, the children receive a "Bachelor of Angling" degree and are allowed to start fishing.

KIDFISH generously stocks the ponds prior to the events, which increases children's odds of a memorable experience. Everything required to catch a fish (i.e. rod, reel, bait, and tackle) will be provided on a first come basis to those who need them. Volunteers will assist the children in catching their fish.

Events are free, although donations are accepted to support the KIDFISH Foundation's outreach efforts.

"KIDFISH CLASSIC" INFORMATION

More than 200 lucky children earn the chance to participate in the annual KIDFISH Classic Championship, where hundreds of big catfish are stocked specifically for the event.

Thanks to the generous support of local KIDFISH sponsors, the Classic participant who catches the longest fish is awarded a \$1,000 savings bond, and his/her school gets \$500 for educational resources. All KIDFISH Classic participants are entered to win prizes including a fishing boat, guided fishing trips, tackle, and more.

To qualify for the KIDFISH Classic Championship, you must be one of the following:

Top fund-raiser at a KIDFISH qualifying local event.

The child who catches the longest or second longest fish by age group at a KIDFISH qualifying local event.

Among the top ten fund-raisers of \$50 or more at KIDFISH qualifying event.
