NOTICE OF AN EMERGENCY MEETING
WEST COLUMBIA CITY COUNCIL

A. The West Columbia City Council will meet as described below:

Council Chambers
512 E. Brazos
Tuesday, June 11, 2013
6:30 p.m.

B. The Agenda for this meeting will be as follows:

1. Call to Order.
2. Consider Authorizing City Manager to Televise and Conduct Repairs to Water Wells No. 2 and No. 3.
3. Adjourn.

This notice is given pursuant to Section 551.045 of the Texas Government Code, less than seventy-two (72) hours but more than two (2) hours before the meeting described in this notice is convened. It has been determined that an emergency and/or an urgent public necessity exists by reason of unanticipated water loss of Wells No. 2 and No. 3 owned by the City and are not operating properly and thereby deprives the City of a significant portion of its water reserves. It is the collective judgment of the City Council that immediate action is required because of the following:

1. There exists an imminent threat to public health and safety in that the delay of repairs to Wells No. 2 and No. 3 poses the threat of loss of public water supply and/or loss of reserve which could become critical with respect to fire protection and/or anticipated heavy usage during extreme drought conditions, and/or

2. Constitutes a reasonably unforeseeable situation in that Wells No. 2 and No. 3 failed.

I certify that I did on the 11th day of June 2013, at 7:56 a.m. post this notice of meeting at 512 E. Brazos.

Kelli R. Kuban

KELLI R. KUBAN, City Secretary
